a man or woman loses flesh and vitality, there is something wrong in the blood. The start of it is likely to be in the somach or bowels, and if they are put in order the trouble generally stops. Consumption is a germ disease, but if the blood is good, and keeps the lungs strong and healthy, the germs cannot find a place to lodge and are cast off. If there's a weak spot, the germ will find it. Even after that, strong and pure blood will strengthen the lungs so that they can gradually rid themselves of the germs.
